COMMENTS FROM THE TOWN MANAGER'S OFFICE

At the last annual town meeting the sum of \$500.00 was appropriated for maintenance of the Town Dump. To this amount has been added \$50.00 which was received from the Town of Newry for the privileged of Newry residents using the dump. Up to the present time no expenditures have been made from this account due to the fact that the H. E. Sargent Co. kept the dump pushed back while they were in the area on road construction. The dumping area has been considerably improved and widened by the construction crew with no cost to the town. Part of the \$550.00 will be expended in graveling part of the dumping area so that next spring the dump will be easily accessible to the public.

Work has been started on the preparation of the town report. Some material can be prepared before the books close on Dec. 31st, spreading the work load over a period of two months which allows time to prepare a good report. Suggestions for changes or improvements are always welcome. It is my desire to provide all information possible in the report to show how the tax dollar has been expended.

The following items of surplus food were distributed in November to 150 eligible persons: Eggs, 54 cans; dry milk, 232½ lbs.; lard, 135 lbs.; lard, 135 lbs.; corn meal, 276 lbs.; flour, 780 lbs.; and dry beans, 160 lbs.

Sincerely,
Harold L. Bean

COUNTY CHRISTMAS SEAL RETURNS LEADING 1959

The first Oxford County Seal Campaign of the Maine Tuberculosis and Health Association was said to "be encouraging and slightly ahead of the 1959 campaign," by Dr. C. Harold Jameson, Camden, president of the association.

"The early returns have been coming in well this year," Dr. Jameson said, and \$1,204.84 was reported for the first 12 days of the campaign in Oxford County. This is \$79.07 ahead of the comparable number of days of last year's campaign.

"Although recent years have shown considerable gain in the fight against TB, thus far in 1960 thirty-one more persons in the state have been found to have the disease than a year ago. It is hoped that this is the result of better case-finding and not the result of resurgence of the disease or some other complication," he stated. "Regardless of the cause, however, it indicates that we cannot afford to be complacent and lessen our efforts."

Dr. Jameson urged all persons who received Christmas Seals to accept and use them. "The entire health program of the association which includes work in respiratory diseases as well as TB, is dependent upon public support of the Christmas Seal Campaign," he concluded.

CROSSES CELEBRATE 25th WEDDING ANNIVERSARY

They were invited to their oldest son's home for dinner at North Paris and after dinner some 35 relatives and friends arrived for a surprise party. Mr. and Mrs. Cross received many lovely gifts. Refreshments including a beautiful anniversary cake, made by Mrs. Glen Emery of West Paris, were served to the following guests: Mr. and Mrs. Guy Rice and children, Charlene, Edward, Burnham and Clayton, Esther Brown and Perry Lapham, all of Bethel; Mr. and Mrs. Kenneth Swan of Paris Hill; Mr. and Mrs. Roy Smith of Norway; Geraldine Abbott, Mr. and Mrs. Richardson and daughter, Crissie, Mr. and Mrs. Richard Andrews, Arthur Allen, Mildred Hazelton, of North Paris; Mr. and Mrs. Carlton Lapham, Mr. and Mrs. Everett Cross, Neva, Rodney, Jr., Annie, Richard, Roger, Lillian and Evelyn Cross, the host and hostess, Mr. and Mrs. Albert Cross and children, Laurie and Mitchell, and the honored guests.

The colored holiday season lighting was installed on Main Street Sunday, a project of the Lions Club.

Sam T. Smith, who recently returned to his home after nine months hospitalization in various naval hospitals due to injuries received last January in an automobile accident, again arrived home last Monday after ten days internment at the Kittery Naval Hospital due to recurring back condition. His present condition requires rather close and quiet confinement at his home. He expects to return to the Philadelphia Naval Hospital in January for about a two month stay for final check-ups and readjustments to enable him to resume in a measure his usual activities.

Discuss Proposed Zoning Changes

Speaking for the Zoning Committee, Henry Hastings, presented the results of a committee discussion regarding possible alterations or additions to present ordinances. The Chamber of Commerce meeting was held at Bethaven Inn with 26 present for supper.

One of the items discussed was signs with reference to subject matter, location and size.

Another item was trailers.

At present there is no specific ordinance for trailers with the possible exception of considering a trailer as a dwelling used for living purposes. Also, a trailer may be considered as re-

gards location, either temporary or permanent. A trailer may add to, or detract from, adjacent property value, depending on its arrangement on the lot, its size, and appearance.

The Zoning Committee desires to bring the subject of Ordinance changes to the attention of the townspeople with the object of incorporating proposals for change in the warrants for town meeting in March.

The Zoning Committee, consisting of Henry Hastings, chairman; Tom Brown, Paul Thurston, Richard Bryant, Ruth Carver Ames, and Charles Heywood, associate member.

Bethel Residential Project Starts

Work started last week on the first planned development of real estate in Bethel in many years. Foundations have been poured and construction will proceed this winter on two houses near Bridge Street on the one-time Algernon Chapman property.

Mrs. Leslie Corbett and also the adjoining land of R. Glenn Murphy (the former Eli Barker field) making some 14 acres available for eventual expansion. A drain has been laid leading toward Mill Brook and a street will be laid out to accommodate about 14 houses on the south side of the Corbett field.

DAVID THOMPSON NAMED ENTRANCE BOARD READER

David Thompson has received word of his appointment to the College Entrance Board as reader for the Advanced Placement Examination in English. This group is composed of about fifty men and women from the top prep and high schools in the East who spend a week at Princeton University next June working with a similar group of college English instructors, where the papers from students who have taken this advanced form of college entrance exam are read and graded, and sent to the college of the students' choice. A high passing mark means that a student may omit his entire freshman year of English in college and be placed at once in a sophomore group. Several Gould students, including Herbert Morton III and Sally Hancock, have been so honored in recent graduating classes, the former at Dartmouth and the latter at Smith.

COUNTRY FLAVOR POP CORN

A conservative, small-town, one-horse, hillside farmer is not competent to assess the high-level goings-on in large cities, but he was heartened to read recently that popcorn is a bulwark of the movie industry. The countryman rarely goes to the cinema, but it occurs to him that first class popcorn would help if forced to sit through some of the pictures he reads about.

The Indians gave us popcorn along with other such good gifts as beans, squashes and maple sugar. Experts say that the Red Men fashioned special dishes in which to pop the kernels. It is the moisture in the kernels, changing to steam, which causes the pleasant explosions.

GOULD ACADEMY

Girls' Athletics

Volleyball and Bowling

The girls' volleyball and bowling teams compete against Stephens High girls of Rumford on Saturday, Dec. 10. The volleyball game will be at the field house. The Rumford team members will stay for dinner with the dormitory students.

After adding up the total number of points for participation in the fall sports seasons, the results are as follows:

	Total points	Avg. points for class	per girl
Seniors	321	7.10	
Juniors	231	6.24	
Sophomores	220	6.11	
Freshmen	232	5.80	

Each class competes for the participation plaque. The winner of the plaque is determined by the highest proportion of the total number of girls in class. The standings thus far for fall sports are: first, seniors; second, juniors; third, sophomores; and fourth, freshmen. This plaque is awarded at the end of the school year.

Special Assembly

On Monday morning, during a special assembly program, Gould Academy students and faculty had the opportunity to hear (via a movie entitled "Life's Higher Goals") the Reverend Bob Richards, "the pole-vaulter parson." He is, in addition to being a minister, a three time Olympic gold medal winner in the decathlon events. His message was to show the close relationship of the world of sports with every phase of life itself. No where else, he feels, do we face life and all its problems more clearly defined than in the sports world. It teaches us we must have a goal that is worth striving for and that regardless of obstacles we must push forward toward that goal. Whether we reach it or not is another matter, but the striving toward it is what counts. Life itself is a constant struggle, never a bed of roses; neither is the world of sports. Always put your best foot forward toward your goal, and work for it with faith and life will have a purpose, a meaning for you always.

Boys' Dorm Party

On Friday, Dec. 2, from 7:45 to 10:15, the boys in Holden Hall held their annual dorm party. Their program for the evening was as follows: Inspection of rooms; Entertainment; Voting for the best room—prize was awarded; Dancing and refreshments in decorated basement. Refreshments were also served in the living room for faculty members.

Bill Call was in charge of the food committee. Dave

Some of the oldtime pop corn variety names are musical: Bear Foot, Lemon Pearl, Red Beauty, Nonpareil, Blue Rice, Black Pop, Snow Ball and Silver Rice. Today's pop corn business amounts to over 200 million dollars.

A renaissance of home popping would help us return to an even keel. There are those who remember the glowing beds of coals in the wood burning kitchen range, the long handled popper, the big yellow bowl of white nuggets generously dowsed with butter and salt.

Give a man a generous helping of pop corn, an old Morris chair before an open oven in which to toast his toes, a farm journal to read and a collie dog to share the corn, and he can spend a pleasant hour or town while another December evening passes into history.

OUR HIGHWAY DEPARTMENT

(contributed)
Where were they between 2:00 a. m. and 6:00 a. m. Tuesday morning, Nov. 29, during the freezing rain storm.

Six women, working the night shift at a South Paris factory, notified a state trooper, at 2:45 a. m. and he in turn asked the highway departments to sand roads, from South Paris to Bethel, so they could get home. The Paris sanding crews responded immediately but where were the others. Finally, after being stranded on the icy roadside, at South Woodstock, for hours, it was possible to reach Bethel at 6:45 a. m.

Let's hope this sort of thing never happens again. It might very well mean life or death to someone. A bit of sand would have made very good, and safe driving conditions.

Lombard and Tom Gilbert were the greeting committee. John Kelley sent invitations, was the MC for the entertainment and along with Ira Hubbard, decorated the basement. Al Blunt was in charge of entertainment. A musical skit had Gary Hill, Jim Weston and Tom Hamilton (sax, trumpet, and drums respectively) as performers; a skit about Gould Academy cheerleaders was put on by Al Blunt, Gary Hill, Scott Cummings, and Dave Reilly. Participating in another skit were Les Scattergood, Dave Ayers, Paul Hamilton, Brian Scothorne, and Bill Call. A good time was had by all who attended.

Cross-Country and Football Awards

At a special morning assembly, letters and certificates were awarded to boys in football and cross-country who have earned them this year. Ordeil Anderson, athletic director at Gould Academy, first gave a talk on the Athletic Council at Gould, mentioning who the members are and what the duties of this council are. He then turned the assembly over to Coach Robert Scott (football) and Coach Frank Vogt (cross-country).

The following members of the 1960 football team received their letters for the first time: Harry Brown, Scott Cummings, Paul Hamilton, Gary Hill, Richard Moody, Steve Parent, Les Scattergood, Brian Scothorne, Tom Chadbourne (mgr.).

Scott Cummings will be next year's captain.

The following boys earned certificates in football, having previously earned their letters: David Ayers, James Bartlett, James Bennett, Kennard Bennett, Bill Call, Fred DesRockers, Alex Foster, David Hawkes,

TODAY'S Meditation

Thursday, December 8

Read Isaiah 61:1-3;

Matthew 1:18-23.

"He will come to Zion as Redeemer." (Isaiah 59:20. RSV.) From Isaiah to Joel—a span of several centuries—voices of the prophets were raised with one accord in the interest of Israel's deliverance. At first, as the chosen people of God, Israel was to bring the nations to Him. Then, as the experience of the centuries mounted, it became clear that Israel herself was in need of deliverance from the enemies and sins.

Gradually, persistently, the idea and feeling grew that Israel's deliverance would come in the form of a Messiah. He would save His people and raise their hopes as a nation.

Many offices were ascribed to Him by the prophets: Shepherd, King, Man of Peace, Suffering Servant.

In addition to the above awards, twenty-eight Golden Jubilee badges were presented to eligible boys.

A talk on loyalty was given by Scoutmaster Ed Robertson followed by a skit presented by Den No. 9. Refreshments were served by mothers of Den No. 1.

Jeff Hutchins, John Kelley, Owen Melville, George Morse, Don Rice, Jim Weston, Dick York (1960 captain).

In cross-country, two boys received their letters for the first time: Dan Grover and Dave Lombard (mgr.). The following received certificates: Paul Calef (1960 captain), Fred Juddkins, Fred Lincoln, Al Ring, Ed Tibbels. Ed. will be next year's captain.

Ford Exhibit of Paintings
Gould Academy is fortunate in having received a display of original paintings (coastal and inland New England). This display is on loan to the school through the courtesy of the Ford Company, publishers of the magazine, "Ford Times." The paintings are on display on the second floor in Hancosm Hall.

Christmas Concerts

On Sunday evening, Dec. 4, at 8:30, in the Hebron Academy Gymnasium, Gould Academy Glee Club members and the Hebron Glee Club presented a joint concert consisting of

None fitted Him so well and came so near to His real office as that of Redeemer. The angel visitant shocked Joseph into rapt attention with the words, "Thou shalt call his name Jesus: for he shall save his people from their sins." Today, if we will listen and heed, He becomes our Saviour.

PRAYER: Our Father, we thank Thee for the coming of Jesus. We are glad He came as a little child, thus teaching us humility and trust. We rejoice that He came as the Saviour, to teach us the way of forgiveness. Help us to accept Him in sincerity. We pray in His name. Amen.

pieces from George Frederic Handel's "Messiah." This same concert will be held this Sunday, Dec. 11, in the Congregational Church in Bethel at 8 p. m.

Future Homemakers of America

On Saturday, Dec. 3, 25 members of the Gould FHA Chapter attended the District E Convention at Farmington High School. The theme of the convention was "Teenagers Can Make Money Behave." Mrs. Mary Whitney Gould, guest speaker, spoke to the group on the topic, "Teens Manage Money."

The Gould girls were responsible for the discussion groups and for conducting a shadow panel; the panel consisting of a student teacher, a homemaker teacher, and the State FHA Advisor. Melvina Learned led the convention in several relaxers. Dixie Lea Brown and Louise Lincoln showed slides and gave a report of the National Convention, and Dixie Lea also talked to the group about her National project. Loretta Blake, district vice-chairman, helped conduct the meeting and was in charge of voting; Linda Nickerson was elected district secretary for 1960-61.

Gehring Hall's Christmas Tea
The annual Christmas Tea at Gehring Hall was held last Sunday afternoon, Dec. 4, under the leadership of Mrs. Goggin and the Girls Dorm Council. The girls cooperated in making this tea a successful and enjoyable occasion. All the decorations were planned and put up by the girls. Evergreens were arched around the dining room windows and a petite angel, dressed in red and crowned with a circle of stars, was painted on the living room window. Tea, coffee and punch were all served this year. Besides these, a variety of sweet bread, sandwiches, cookies, nuts and cup cakes were served. A supplement to the buffet was a candy kias wreath. This was enjoyed by many in place of mistletoe. Although there was no snow and many of the girls had to hurry off to Hebron for a concert rehearsal the tea was a success and well worth the effort.

LETTER TO THE EDITOR

Just by way of reminding us that the Christmas season is fast approaching, the town's Christmas street lights and tree on the W. R. Chapman lawn were turned on beginning last Monday night.

As most of you know this is an annual community project sponsored and carried on by the Bethel Lions Club - and adds much to the town's good cheer and festivities prevalent at this time of the year. Carrying on their other community activities quietly and without much publicity the Bethel Lions have, so far this fall, supplied six needy children with glasses and will continue this fine work, whenever needy cases are brought to their attention. In addition also they continue to sponsor and aid all possible the local troop of the Boy Scouts in their fine work. To continue their expanding field of community work the Bethel Lions are planning at this time to hold sometime during the winter or early summer a Poverty Ball and a community auction to raise funds in order that future community work and needs can be adequately met financially as they develop. Sometime before the holidays are over the Lions are in the process of planning an attractive program of pictures and talk on Maine wildlife activities put on by the Maine Fish and Game Department, and this will be a meeting where the public will be cordially invited to attend. More about that as plans develop.

We don't have much beating of drums or a brass band to lead us, but this is a gentle reminder to all good Bethel citizens that your Bethel Lions Club is working, and ready to work, at all times in any way they can to help make Bethel a good community in which to live and to help others less fortunate than ourselves.

ECONOMY TO MAINTAIN
PRESENT RATE IN 1961

Magazine Says Current Trends Set Pattern

Business in 1961 will take its cue from the present trend, with no spectacular surges and no prolonged downturn, according to Changing Times, the Kiplinger Magazine.

The current issue of the magazine in its "Months Ahead," a regular monthly feature, predicts that some lines will be more sluggish than others, but there will be no severe upsets. The editors report that trends for the early part of the year are set, and from them can be read the probable business mood for the months to follow. "Production will sag some in the first few months of the year, a trend that is partly seasonal and partly a result of missing stimulants," according to the column. "Christmas business will zip things up this month, of course. It always puts a kick in year-end activity. But the zip won't last and the post-Christmas letdown may be a little more painful than normal."

The article notes that good news for shoppers is the fact that prices are under pressure and competition is feverish in many areas. This is interpreted to mean that January sales will feature good buys. But the important fact, noted for shoppers, is that prices won't bounce back much—price levels will remain fairly stable.

Capsuling all areas of business, the editors foresee: New products. Many are likely to be introduced before the year is out—in appliances, housewares and even clothing. Unemployment. Currently up, but employment also is high. The real concern, according to the editors, is that unemployment will go over the 6 percent mark next year. "The paradoxical picture of high employment at a time of rising unemployment will be one of the first problems to challenge the

new administration."

Tax cuts. None likely. Only a deepening recession would produce a tax cut.

Interest rates. Have been dropping slightly in recent months and will continue to go down next year. "This means easier financing for buyers of new houses. It will also reduce slightly the cost of financing new cars and other installment purchases."

Construction: "As of now, it looks as if the economy will per-

sist, despite easier money." The article predicts that businessmen will pull back on plans for new factories, offices and warehouses, but government construction will expand—a result of stepped-up spending for defense and road building, a calculated stimulant to ease recession blues in many areas of the country.

In short, the outlook for business, jobs, interest rates, prices and other key factors of the economy is to maintain the present pace.

Mrs. Roxie Inman, Corres.

Mrs. Liabeth Penley suffered a back injury when she fell in Peck's store, Lewiston, last week. She was taken by ambulance to the Stephens Memorial Hospital, Norway, Monday morning.

Mrs. Conrad Lamb is staying at the home of her son and daughter-in-law, Mr. and Mrs. Sayward Lamb, while their son, Ronnie, is undergoing observation at the Lahey Clinic.

Mrs. Byron Inman, Gilbert and Douglas, of North Leeds, are visiting her father and mother-in-law, Mr. and Mrs. Walter Inman.

Miss Eve Day, Maine Medical Center, Portland, was the week end guest of her parents, Mr. and Mrs. Gerald Day.

Mr. and Mrs. Russell Pray of Mechanic Falls are parents of a daughter born Sunday at the CMG Hospital, Lewiston. Maternal grandparents are Mr. and Mrs. Milford Herrick, West Paris.

Mrs. Nettie Chase and Mrs. Eva Keniston attended the Sunshine Club at South Paris last Thursday.

Hershel McLaughlin has enlisted in the U. S. Air Force and is stationed at Lackland A. F. Base, Texas.

The Poachers team of the West Paris Hunters Club were hosts to the Pokewunt team at a supper held at the Legion Home Friday night. The menu consisted of American chop suey, baked beans, and salads. Coffee was prepared by the men of the losing team, with solicited cake for dessert. William Stevens was presented a hunting vest for bagging the largest buck and Don Nyerson received a vest for the largest doe. The smallest deer trophy was awarded to Everett Chase. After the supper, interesting slides were shown.

Bonnie Jean Cyr was guest of honor at a surprise bridal shower Friday evening at the Goodwill Hall. Refreshments, featuring a bride doll cake, were served by Helen Heath and Martha Hollis. Guests present: Helen Popin, Annie Orrell, Helen Heath, Agnes Gibbs, Hazel Abbott, Evelyn Abbott, Cynthia Abbott, Katie Tamminen, Diana Heath, Maxine Cram, Ruth Hazeltin, Helvi Ruokolainen, Lauri Heath, Irene Berry, Martha Hollis, Lettie Brooks, Valeriee Andrews, Lois Corbett, Helen Noyes, Bonnie Lee Corbett, Rena Ring, Michael Cyr, Jean Ring, Lempi Cyr. Sending gifts but unable to be present were: Donna Andrews, Edla Tamminen, Beryl Walsanen, Hazel Collette, Joan Poland, Doris Laurence, Kay Tamminen, Arline Farr, Patty Andrews, Hattie Martin, Lillian Penley, Carolyn Baker, Judie Ellingwood, Mary Perham, Cloyd Martin, Barbara Cyr, Martha Noyes, Ruth Durham, Gloria Twitchell.

The Nimble Fingers 4-H Club held a regular meeting at the leader's home. The club song was sung followed by the flag salute and club pledge. The sec-

retary's and treasurer's reports were read. The roll call was answered with the name of something familiar with Christmas.

The following business was taken care of: we were reminded we had only one more week to sell our needles and our pen and kerchief sets. The sets have sold well but the needles, although a very good buy, have moved slowly. Those desiring to take the Reading Project were given cards. We talked further about the uniforms. It was reported that it is impossible to buy them ready made and that patterns for younger children have not been found.

We plan to have a Christmas party at our next meeting on Dec. 16th. Refreshment committee was chosen as follows: Kathy McKee, Charleen Emery, Bonnie Ellingwood.

For recreation at the party we plan to make something.

Instead of drawing names we will all bring something and exchange them. A committee was chosen to work on the favors for the Chapel Valley Nursing Home: Rachel Chase, Virginia Inman and Judy Lamb.

We voted that the committee should use the money necessary for material for these favors. Mrs. Ellingwood explained the IFYE program for new members and reported that a great deal more money is needed. We were asked to be thinking about what we would like to give for this. January 6 is a tentative date for our club's demonstration contest.

After the business meeting we received more instruction on Clothing and Food Preparation. Bonita Ellingwood gave instruction on some stitches and hems while Mrs. Ellingwood gave instruction on table setting and serving. We practiced both sewing and table setting with serving.

CARD OF THANKS

I wish to extend my heartfelt thanks to the friends who have called, sent cards, flowers and other things during my illness. I am very grateful.
